Tsara fantatra: Ny mpamily dia mifanena mandrakariva amin'ny loza eny amin'ny lalana, ka noho izany dia tsara ny mahafantatra inona avy ireo loza ireo.

- Raha fantany mialoha dia moramora kokoa ny hamahana aza na hiarovana azy .
- Amin'ny famahana ny olana dia ny tompon'andraikitra no tokony mametraka drafitra(plan) hentina hamahana izany.

Anaovana fanazan-tena koa ireo fitrangan'ny loza izay mety hiseho.

Ireo toe-javatra mety ampidi-doza :

- Mety misy olana mihampita tampoka.
- Olona tsy salama saina.
- Toe-trandro(orana, zavona,...)
- Toe-batan'ny mpamily(reraka,marary,...)
- Mpamily maherisetra.
- Faharatsian'ny fiara .
- Kodiara, frein , fikojakojana fiara, fanaramaso ny fiara .

Ny maha zava-dehibe ny fampiarana ny lalana mifehy ny fifamoivoizana :

Ireo lalàna dia miaro ny tsirairay mba tsy hanao loza eny amin'ny lalana

Raha tsy hajaina ireo lalàna ireo dia mety hiteraka loza, faharatrana ny aina, sazy .

(Ny mpamily mendrika no anolorana fankasitrahana, ary ny mpamily tsy manara-dalana dia saza).
